

SCHOOL VIOLENCE PREVENTION DEMONSTRATION PROGRAM

HANDOUT 2

STUDENT DIRECTION SHEET

The class has been divided into pairs. Each pair has been given the name of a female leader of a civil rights movement. You and your partner will research and discuss the leader's life in order to create the following:

- a. A short, one-page biography
- b. A description of the person's impact on the civil rights movement she was involved in
- c. A quote by that person and a picture of her
- d. If she is still alive today, a description of what she is currently doing

Once you have gathered your information, you will need to put it on chart paper or a poster in order to share it with the class and display it in the classroom.

Your teacher will let you know how long you have to complete the assignment and bring your completed materials to class.
